Apologies

Sarah Hannah, Stephanie Matthews

1. Minutes from last meeting

Circulated revised/edited minutes accepted as correct.

2. District Reports

East- not enough people for the PPro PD at John Wollaston

South – great felting workshop

North – Landsdale Paint Shop Pro PD – 9 attended – excellent outcomes - skills learning, playing time, application directly into classroom, great handout, sensational lunch.

Felting – Joondalup Baptist – Well organised and clearly presented – not enough time

See Sarah – regards to getting a handout outlining the process.

ACTION: Design a generic feedback sheet to be used at all Prim based PD. Has Lynda already done one that Sarah used???

Maybe weekend Professional Developments are limited in their appeal – ie available time for busy teachers??

3. Future PDs

Promote relevant sessions being run **by Fremantle Children's Literature Centre Week 4 Show and** tell to round off the year – one project with design brief and... bring along an assessment/viewing sheet to share

ACTION: Coordinators to confirm hosting school and date – run during
North – Monday Nov 3 - Lake Joondalup Baptist College Changed to Tuesday 11
November, Landsdale PS

South – Wednesday 12 November, North Parmelia PS

Central – Tuesday 11 November, City Beach PS

East – Wednesday Nov 5 – Darlington?? Changed to 4th Nov at Darlington primary at
4.00 pm.

Rosie to create a flyer a.s.a.p. (needs school/date details)

Jeanette – spread word via AISWA and CEO.

Steph – use contacts for ed newsletter?? Steph – are you able to send out a generic
flyer on your districts Eddy mail?

Rosie – Landsdale Primary school

Art Blast – notification to go via the yahoo group.

Corporate Express, 23 Miles Rd, Kewdale - promotional show and tell - via Lynn
Brown of Kensington PS – focussing on JAS and Micador products presented by two
practicing artists from the East.

Do we have a date for this event – Tuesday 18 November

5. School Exhibitions

Great to have them all advertised on the website

JHSSA – only 6 people turned up at the formal PD session, but many members
seem to have gone through during the week at other times.

Chatter box viewing activity – by teacher from MLC

Landsdale – art gallery set up in art room – run art lessons as art appreciation, self
reflection and assessment – focus on process.

Art Detective sheet – thanks Jeanette

6. Moderating PD

West Coast district running a moderating session – Rosie has been invited from
outside the district to attend.

Task has been set, teacher runs task, assesses and attends PD day – gives
feedback on the process

Forward thinking – is this the sort of daytime PD Art Ed can consider running in the
future – on a school day.

7. Any Other Business

General Meetings – would be good to have say four general meetings a year to
allow for social networking – eg AGM in Feb/March; one in the Term 2 and Term 3
holiday breaks to allow country member involvement and one with the end of year
wind up.

Next Meeting – Saturday, December 13, 10.00 at Fremantle Arts Centre. Pauline
to book table

Meeting Closed 13.35

List for Sarah to take to the next Committee Meeting.
